2013 **Jetta SportWagen**

Das Auto.

TDI with Sunroof and Navigation shown in Reflex Silver Metallic with Base Carrier Bars and Bike Holder Attachment

For name's sake.

If you think about it, the Jetta SportWagen tells you everything you need to know right in its name. We call it Jetta because it has the same comfort, style, and handling of its sedan counterpart. It earns the sport from its sleek styling, nimble handling, and enduring performance. And with up to 66.9 cubic feet of ultra-practical, stuff-hauling space in the back,* it's a wagon in the truest sense of the word. Europe loves our wagon for its smart, family-friendly style. Turns out, America does too. Eleven years and counting. **That's the Power of German Engineering.**

*With rear seats folded down.

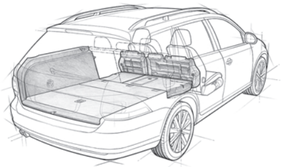
2013 Jetta SportWagen

Cargo

66.9

cubic feet

Let's be honest. The beauty of having a wagon is the fact that it holds so much. It makes having a family, or a hobby, or a snowboarding obsession extremely easy. With the rear seats down, you have 66.9 cubic feet of storage to play with. So you can buy the screen printer, paint, and canvases you've been coveting and follow your art passion anytime you want. Or you can choose from thousands of other hobbies and obsessions. The wagon is your oyster. So to speak.

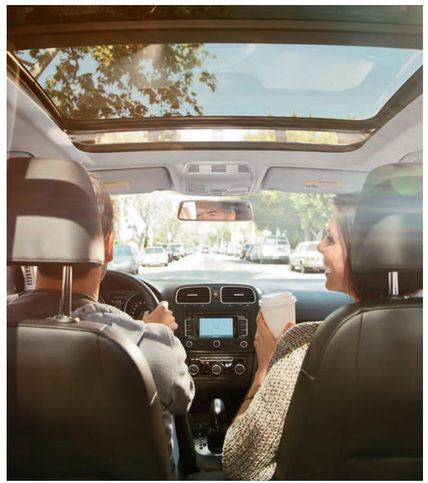


The rear seats of the Jetta SportWagen fold down in what we call a 60/40 split. So you can fold just one seat down for a little extra space, or both seats down for a whopping 66.9 cubic feet of storage. We conquer you, big-screen TV.

Want to put a couple of bikes on the roof? How about a kayak? Thanks to the available roof rack accessories, you aren't limited by just what you can fit inside your Jetta SportWagen. As if that actually felt limiting.

It's way bigger than a breadbox. Which is how it swallows double-wide strollers whole. Entire palettes of flowers, bags of dirt, a shovel, and a hose slide in back in a snap. A couple of rambunctious dogs? They've even got space to stretch out.

TDI shown in Titan Black



The wagon for grown-ups.

Back in the day, your little red wagon was simple in its construction and purpose. Put stuff inside and pull. These days, you like a little more sophistication with your wagon, but just enough to make the trip worthwhile. Which is why the Jetta SportWagen gives you a few decisions to make. Like the available touchscreen sound or navigation systems. Choose from having loads of music at your fingertips or music and directions. Then choose whether or not you'd like to have your new wagon in red. You know, for nostalgia's sake.

Features

- Touchscreen navigation system*
- Touchscreen sound system with HD Radio™*
- AUX-in for portable audio players
- SiriusXM Satellite Radio with 3-month trial subscription*
- Bluetooth® with audio streaming**
- MDI with iPod® cable*

*Feature available on select models.
**Requires compatible device.

Technology

SE shown in Cornsilk Beige

The space age.

As adults, we really do need space. Space to put things. Space to relax. Space to do what we want. It's easy to make room for a Jetta SportWagen in your life because it comes with so much of the space you crave and the stuff you need. Like heated front seats and adjustable lumbar support. Not to mention an available touchscreen sound system and a huge panoramic sunroof. So if you need some "me time" with good music and a view of the starry night above, take all the time and space you need.

Features

- Front seats with adjustable lumbar support
- V-Tex leatherette seating surfaces*
- 1-touch automatic window controls
- Heated front seats
- 12.7-square-foot panoramic sunroof*

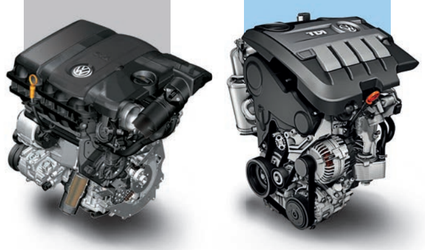
*Feature available on select models.

Once upon a time.

At a filling station way, way back there, you filled up your Jetta SportWagen TDI® with clean diesel. That could have been as many as 609 miles ago,* in fact. And as your vehicle sipped fuel at the wallet-friendly rate of 42 highway mpg,* you were busy seeing the sights, or running errands, or picking up the kids, or doing whatever else you wanted to do with your freedom.

The same is true of the 2.5L in-line 5-cylinder engine. It also gets exceptional gas mileage while delivering the punch you need when you step on the gas.** For a little extra thrill, shift it into the available Sport mode, or push it over into Tiptronic® and put the power of shifting gears back into your hands.

2.5L	TDI
170 horsepower	140 horsepower
177 lbs/ft torque	236 lbs/ft torque
33 mpg	42 mpg

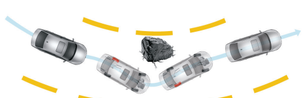


*2012 2.0L TDI Clean Diesel, manual transmission: 30 city/42 highway mpg. EPA estimates. Range based on 42 highway mpg EPA estimate and a 14.5-gallon tank. Your mileage will vary. **2012 2.5L, manual transmission: 23 city/33 highway mpg. EPA estimates. Your mileage will vary.

TDI shown in Candy White

Safety

You know that German engineering you admire under the hood? It's actually throughout the entire car. There are more than a dozen safety features specifically designed to help you prevent a collision. And even more to help protect you in the event of one. So no matter what happens, we'll do our best to help keep you safe.



Electronic Stability Control (ESC). ESC helps prevent oversteer or understeer during an evasive maneuver by applying corrective forces to each of the wheels. In other words, it helps you maintain control when you need it most.

ABS and HBA. The Anti-lock Braking System (ABS) helps keep the brakes from locking up during sudden stops and helps you retain control over the steering during emergency braking. Hydraulic Brake Assist (HBA) works with ABS to help you get maximum power from the brake system.

Surrounded by safety. In addition to airbags,* every Jetta SportWagen has a specially reinforced safety cage complete with anti-intrusion side beams and heat-formed B-pillars, designed to help protect you in the event of a collision. Surrounding that are crumple zones that provide space and material to help cushion and absorb the impact while the safety cage insulates you.

Intelligent Crash Response System (ICRS). After the airbags* have deployed in a collision, the ICRS automatically unlocks all doors, disables the fuel pump, and turns on the hazard lights.** That's why we call it intelligent.

2012 IIHS Top Safety Pick. The Jetta SportWagen is one of the Insurance Institute for Highway Safety's Top Safety Picks.† Actually, it's one of nine 2012 Volkswagen models to get their top award. That means all nine cars scored the highest rating in all four qualifying tests. That's 36 instances of superior safety.

Lower Anchors and Tethers for CHildren (LATCH). LATCH allows you to secure child seats to your Jetta SportWagen using specific built-in anchors that connect the seat to the safety cage. When the child seat is installed and used correctly, this helps maximize the safety of the seats.

*Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. **The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. †"Top Safety Pick" based on 31 mph side-impact crash test, 40 mph frontal-offset crash test, 20 mph rear-impact test, roof strength testing, and the availability of ESC. Test performed by the Insurance Institute for Highway Safety. For details, visit www.iihs.org. See vw.com for more information on safety features.

No-charge scheduled Carefree Maintenance.*

Changing your oil, rotating your tires, topping off the windshield wiper fluid—do you remember to do all that stuff? Your car does. Right there in your instrument panel. Both it and your dealer will let you know when it's time to schedule your appointment. And for three years, or 36,000 miles, we've got you covered. That's why we call it carefree. Come by for a courtesy vehicle check within the first 90 days, or 6,000 miles, and ask us any questions you have while we give your Jetta SportWagen a basic checkup. Then, come by every year, or 10,000 miles, for your remaining scheduled maintenance checks. It's that simple.

*The Volkswagen Carefree Maintenance Program covers the vehicle's scheduled maintenance for three years or 36,000 miles, whichever comes first. Coverage during the term of the new vehicle limited warranty at no additional charge. Some limitations apply. See dealer or vehicle maintenance program booklet for details.

Volkswagen Carefree Maintenance®

3 Years or 36,000 Miles of No-Charge Scheduled Maintenance.
Whichever occurs first. Some restrictions. See dealer or program for details.

Trims and Specs

Jetta SportWagen S

2.5L S

Includes 2.5L 170-hp engine: 5-speed manual transmission; 16" steel wheels with all-season tires; Climatic single-zone climate control; 8-speaker sound system with MP3- and WMA-compatible in-dash CD player, AM/FM radio, and AUX-in for portable audio players; Bluetooth® with audio streaming;* heated front seats and washer nozzles; power door locks and windows with 1-touch feature; 6-way partial power-adjustable front seats with adjustable lumbar support and power recline; 12V power outlet; carpeted floor mats; 60/40-split folding rear seats with pass-through and center armrest; black roof rails; electromechanical speed-sensitive power steering system; leather-wrapped multi-function steering wheel; multi-function trip computer; 4-corner independent suspension; 4-wheel disc brakes; Anti-lock Braking System (ABS), Anti-Slip Regulation (ASR), Electronic Brake-pressure Distribution (EBD), Electronic Stability Control (ESC); Tire Pressure Monitoring System (TPMS).

Options

6-speed automatic transmission with Tiptronic® and Sport mode.

Jetta SportWagen SE

2.5L SE

Includes 2.5L S features, plus: 6-speed automatic transmission with Tiptronic and Sport mode; 16" Sedona alloy wheels; chrome grille accents and window surrounds; V-Tex leatherette seating surfaces; Premium VIII touchscreen sound system with HD Radio,™ MP3- and WMA-compatible in-dash 6-disc CD changer, 10 speakers, SD memory card reader, and SiriusXM Satellite Radio with 3-month trial subscription; Media Device Interface (MDI) with iPod® cable.

2.5L SE with Sunroof

Includes 2.5L SE features, plus: 17" Porto alloy wheels; power tilting/sliding panoramic sunroof.

Jetta SportWagen TDI® Clean Diesel

2.0L TDI

Includes 2.5L SE features, plus: 2.0L, 140-hp TDI engine; 6-speed manual transmission; 16" Bioline alloy wheels; 115V power outlet.

2.0L TDI with Sunroof

Includes 2.0L TDI Clean Diesel features, plus: 17" Porto alloy wheels; power tilting/sliding panoramic sunroof.

2.0L TDI with Sunroof and Navigation

Includes 2.0L TDI Clean Diesel with Sunroof features, plus: keyless access with push-button start;** RNS 315 navigation system with 5" color touchscreen in center console.

Options

6-speed DSG® automatic transmission with Tiptronic and Sport mode.
